

REMARKS

Entry of this Amendment, filed concurrently with the Request for Continued Examination, is respectfully requested. In the Advisory Action dated April 18, 2007, claims 1-17 and 24-26 have been indicated as being allowable. Claims 18-23 and 27 have been canceled from the application. Reconsideration of the application is respectfully requested in view of the amendments defined herein.

It is respectfully submitted that the Amendment traverses and overcomes all of the Examiner's rejections to the application as originally filed. It is further submitted that this Amendment has antecedent basis in the application as originally filed, including the specification, claims and drawings, and that this Amendment does not add any new subject matter to the application. It is respectfully submitted that this Amendment places the application in suitable condition for allowance; notice of which is requested.

Respectfully submitted,

Dated: May 2, 2007
